NAAC Accredited 2023-2028

It was a moment of unalloyed pride when the NAAC Peer Team conferred on the Institution a **B+ Grade**

The NAAC Peer Team visit on 4 & 5th August 2023 threw us into throes of delight and despair. It was a defining moment for the institution which enhanced its visibility in academic circles. The day dawned crystal clear and as our pulsed throbbed with fearful trepidation, the NAAC Peer Team stepped in to start the process of accreditation. Two days of tumultuous visit we faced with fortitude which won us the much coveted B+ Grade.

Lifeline of the Institution

VISION:

To arouse and awaken the spirit of inquiry through the teaching-learning process with the integration of Technology.

MISSION:

To promote knowledge based activities that require analytical and logical skills.

Inspiring Messages

Shri. K.M. Nagaraj

Chairman's Note

I'm overwhelmed by the progress of the institution: from a humble mooring, it has expanded its horizon and spread its tentacles in all prominent facets of academia. My exuberance knows no end when I think of the phenomenal growth of the institution.

Secretary's Quotes

An institution with a proportionate blend of academics, extracurricular and extension activities exude excellence and prominence. This is indeed the benchmark of the institution.

Shri. Chikkaiah

Dr. Dharmendra Kumar T P
MA, M.Com., LLB., M.Phil., Ph.D

From the Principal's Desk

Spearheading an institution with kindred souls who focus on student progress and welfare makes me feel that I am in the midst of an idyllic scenario. I am blessed to be the guiding force and moral support. I feel I have taken on the role of Field Marshal in such a wonderful ambience.

Salient Features of the College

The institution which took its first tottering steps in 2007 has made gigantic strides in a span of 17 years. Today it is one of the pioneering institutions in the busy hub of the city. Name it: it has all the unique facilities, support system augmented by well qualified faculty with an ardent passion for teaching and student centric activities which combine curricular and extracurricular activities in a mellifluous manner.

Group of Institutions

We belong to an elite group of institutions under the banner of Community Centre Group of Educational Institutions which was established in 1956. Our allied institutions are Community Centre Pre University College and Community Institute of Management Studies- B-School. Our conglomerate believes in imparting the best erudition to all students from different strata of society.

Admission Procedure

All admissions to the degree classes are subject to approval by the Bengaluru City University.

Documents to be produced at the time of admission:

10th/SSLC and 12th/PUC marks card – original + 2 sets of photocopies

Transfer Certificate – original + 2 sets of photocopies

Caste Certificate in case of SC/ST candidates (for Karnataka students only)

Photographs – 4 passport + 4 stamp size

Students who have passed out from Boards/University other than the Karnataka PU Board should also submit in addition to the above-mentioned documents:

1. Migration certificate – original + 2 sets of photocopies

For further details visit college website - <https://www.cicms.in>

BBA Toppers - 2020-23 Testimonials

Saniya
BBA Topper - 2020-23

The institution gave me plenty of opportunities to hone my skills. I am grateful to the Principal and teachers for their kindness and support which has made me a better person and a better student.

The teachers and Principal have imparted to us not merely academic knowledge but how to face challenges and emerge stronger and braver. I am thankful to them for teaching us life lessons which will prepare us to face the world with courage.

Shariqa Yezdani
BBA Topper - 2020-23

Department of Computer Applications - BCA

The Bachelor of Computer Applications offers students a deep dive into the multifaceted world of computer science and software development. The program aims to imbue students with a strong foundation in core computing concepts while also providing them with hands-on experience in real-world applications. Through a carefully curated curriculum that spans theoretical knowledge and practical skills, students learn about computer fundamentals, programming languages, software engineering principles, database management systems, web development technologies, operating systems, networking, project management and a lot more which is trending. They are encouraged to think critically, problem-solve creatively, and communicate effectively, fostering a holistic approach to learning and development.

VISION:

- ⦿ To offer leading programs in Computer Science which transforms graduates into globally recognized, innovative computing professionals. To empower graduates to be technologically adept, innovative, self-motivated, and responsible citizens, possessing human values and contribute significantly towards technological innovations.

MISSION:

- ⦿ To provide quality undergraduate education in theoretical and applied foundation of computer science. To train students effectively to apply knowledge gained to solve real-world problems, amplifying their potential for life long high-quality careers.

Testimonials

Radhika S
BCA Topper - 2020-23

Teaching faculty are excellent. The college always thinks first about students. It gave me the right platform to exhibit my skills and gain more knowledge. I am very thankful to all our professors for enhancing my skills, imparting valuable knowledge and eventually enabling me to become more successful in life.

Ramya Suresh
BCA Topper - 2020-23

College life is a mixed-phase of practical learning and enjoying with friends. I had the opportunity to experience all of them at CICMS. Special thanks to my teachers for enhancing our knowledge and making us capable to face the workaday world. Thank you CICMS ✨
